THE POWER SEALED DEEP INSIDE ME AWOKE.

I HAVE REGAINED THE POWER TO RE-OPEN THE "DOOR".

AS I SAID BEFORE, THE "DOOR" IS A PASSAGE WHERE I CAN STORE OR TAKE THE POWER THAT IS IN MY ACTUAL BODY.

THAT PASSAGE WAS ACTUALLY CREATED TO RESURRECT ARES, BUT I DECIDED TO SEAL OFF THAT PASSAGE WITH THE HELP OF "RA".

I REPEATED MY MISTAKE OF OPENING THAT PASSAGE...BUT I ENDED UP HAVING TO OPEN IT ONCE MORE.

THE POWER THAT ARES STOLE FROM ME WAS SLOWLY REGENERA-TING LITTLE BY LITTLE.

That's right.
Out of the souls you saw, you must have seen a soul that was tainted black.

What... huh ...?
Why should I?
Aren't you the servant of Ra who cleansea the body and the souls of the dead ...?

After that, I'm trying to regain my power.

Wait.
If your current body is somehow connected with your actual form, do you really have to do all of this?
The power stored inside your actual form, is it not enough ?

The actual power I wish to regain ...
is the power to kill anything, and Ares has stolen it from me.
And if we don't get my power back from him, anyone who opposes him will turn to ashes ...

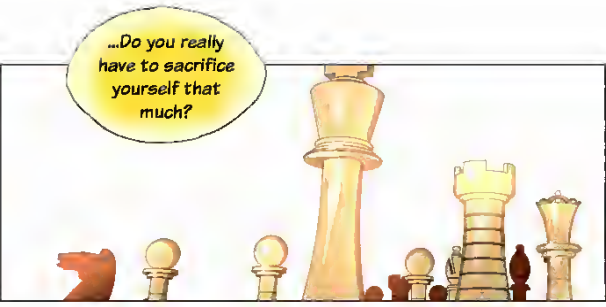
The people you will meet, friends, parents, siblings, ie thousand, no billion times heavier than your current life.

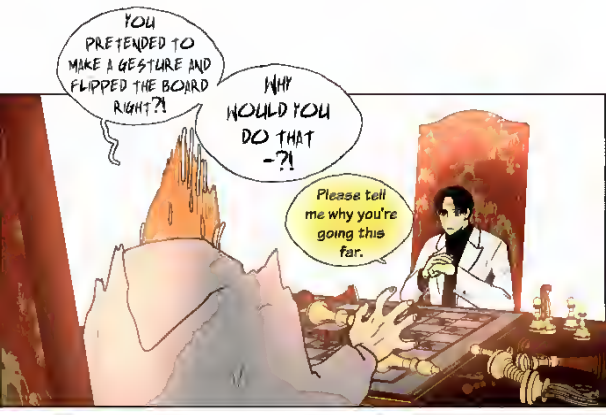
Rainold.
Are you willing to trade all that for this one life you have?
...well.
I can't do anything about that now.
It's already tough enough for me to protect the ones I love.
I don't really care about a new life.
It's not for your own good.



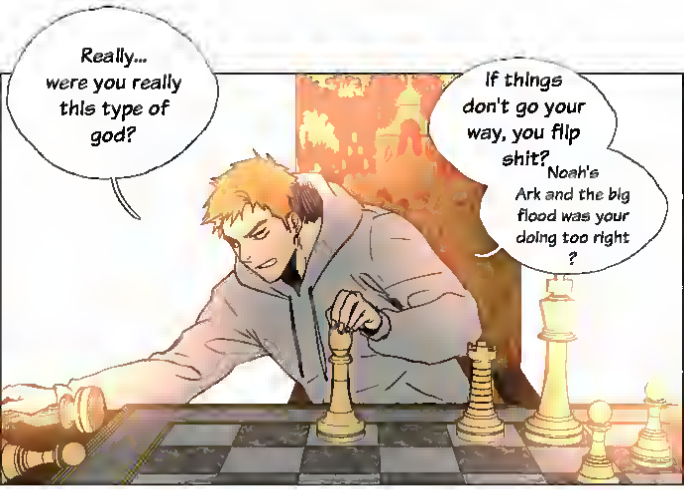
...Do you really have to sacrifice yourself that much?

If you die here and resurrect, the feelings you have for your loved ones will disappear into thin air.
In the end, it's not much.
Who knows ?

You might destroy the world I created and create a new world for yourself...
SMASH

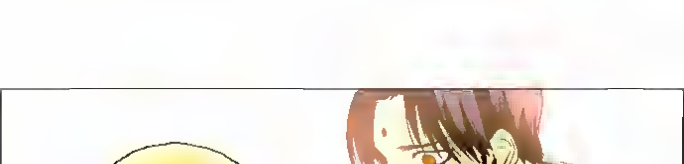


YOU PRETENDED TO MAKE A GESTURE AND FLIPPED THE BOARD RIGHT?!
WHY WOULD YOU DO THAT -?!
Please tell me why you're going this far.



Really... were you really this type of god?
If things don't go your way, you flip shit?
Noah's Ark and the big flood was your doing too right ?

Why do you keep asking questions ?
All I'm trying to do is protect the things I care about ...
I gave up my life to come here.
I didn't come here to be resurrected.



...Then, have it your way.

...My pawn was here.
And on my next turn, I was going to capture your knight.
In this game, I wasn't trying to win or lose, but all my attention was focused onto this pawn.
isn't it amusing ?
A mere minion like a pawn; if it reaches its peak.

it can become anything.

However, if it dies, it'll disappear forever.
But you are my knight and soldier.

Congratulations on becoming my 9th heir of the light.

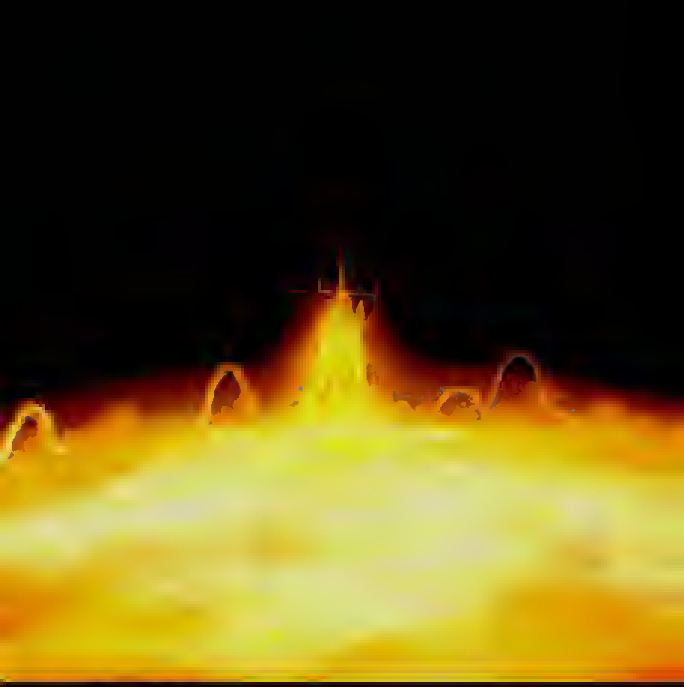
THIS WILL BE A LONG STORY.

BUT, YOU MUST KNOW THE
STORY ABOUT OUR NEMESIS

BEFORE, THE UNIVERSE WAS NOT FULL OF SPACE

THERE WERE COUNTLESS NUMBERS OF STARS.



THE GOD OF ALL BEING

RA EXISTED

LESSA

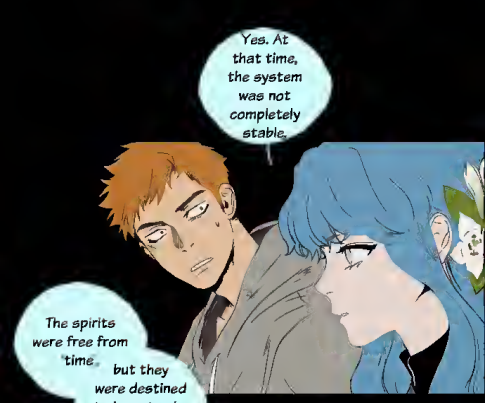
EVERYTHING EXISTED FOR SO LONG, SO EVERYTHING LOOKED IMMORTAL

EVERYTHING WAS
REACHING FOR THE END
IT LOOKED LIKE AN
UNAVOIDABLE DEATH

From what I know, that's the reason he created spirits.
He thought that by creating spirits, he created eternity.

The circulation of spirits...a cycle near infinity ...
We servants looked after the lives of all beings in his place.

This story was before humanity was created.



Yes. At that time, the system was not completely stable.
The spirits were free from 'time',
but they were destined to be eaten by 'absolute death'.

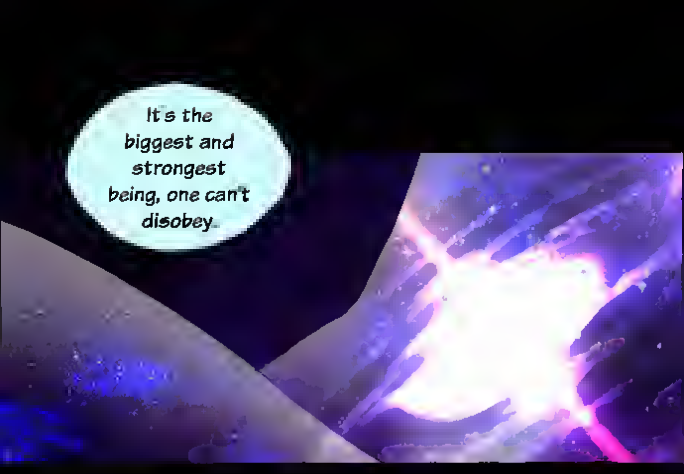
A BLACK HOLE?!
That's the strongest predator in this world.
If you are eaten by that thing, losing your flesh and land to eat foot on, spirits become nothing but lifeless wandering energies.
It was rapidly decreasing the galaxy's lifespan
Nothing could escape that.
Hold up.

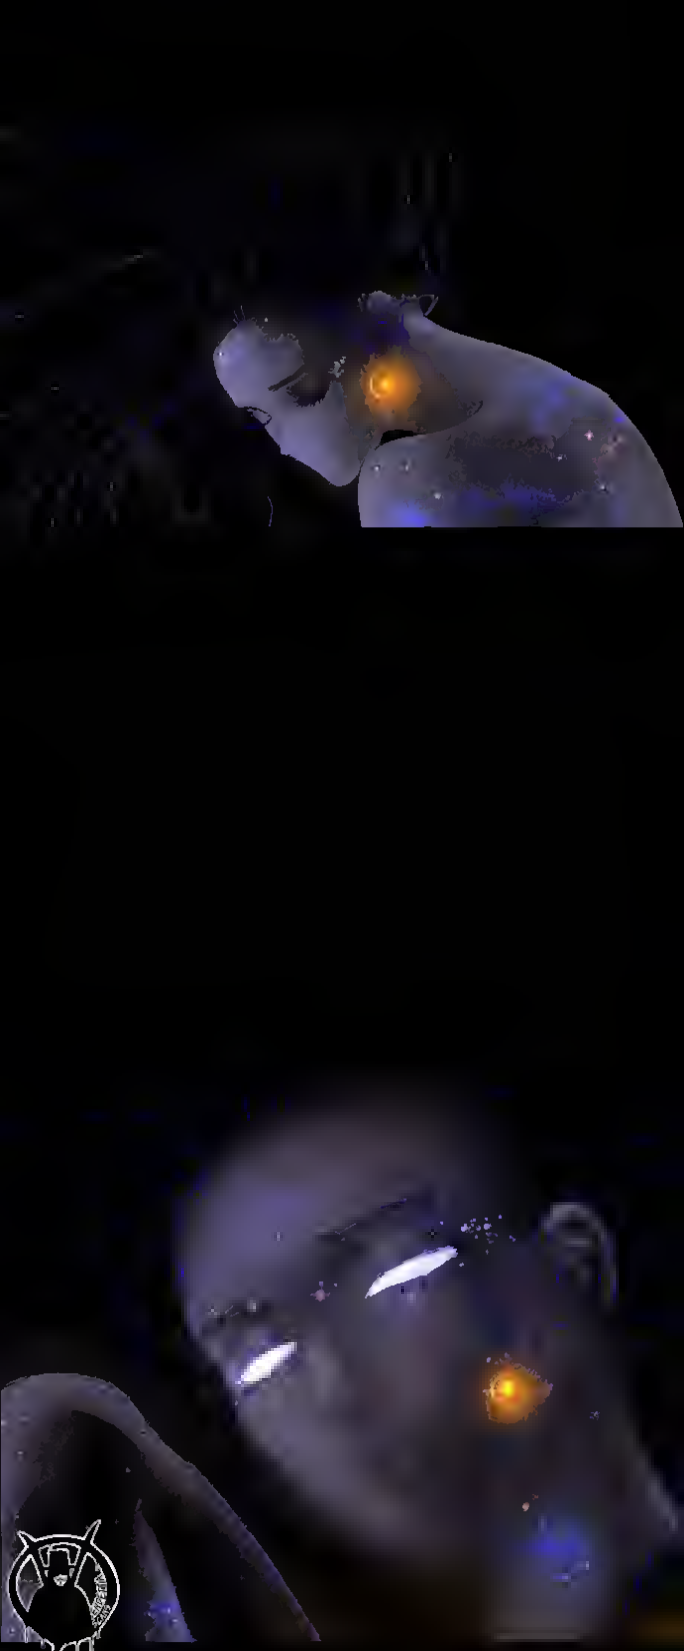
That
thing
....

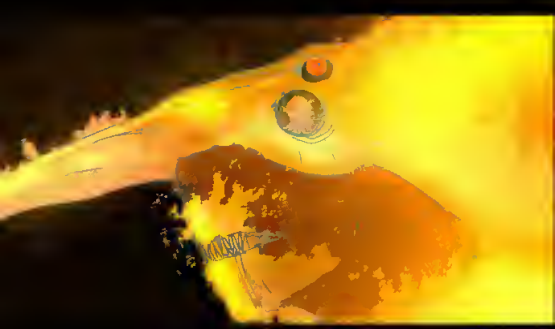
Can you see it ...?
It's the universe's components humans cannot comprehend.
No colors or smell, nothing but mass exists within this microscopic being ...
SHE'S THE WOMAN THAT LOOKED LIKE LESSA THAT TIME ...
Because that thing is holding onto the galaxy, the galaxy will not come apart.
But, this hug is no different from imprisonment for future predation.



It's the biggest and strongest being, one can't disobey.

Ra decided to meet her and flew towards her.





"BEAUTIFUL.. "

SURPRISINGLY,
HE MET HER AND SOON,
EMOTIONS WERE CREATED

"NO BEING I HAVE CREATED

"I SHALL CREATE THIS WORLD'S

THE SACRIFICE OF THE MOST PURE AND INNOCENT BEING

DEATH WAS SEALED INSIDE THE MAMMAL,
AND STOPPED ITS PREDATION

Who knows when it'll start to speak like us or the humans?
SPEAK?! HILARIOUS! IT'S A STUPID MIMMIL THAT DOES NOTHING BUT POOP ALL OVER THE PLACE...!
IT'S CAUSING TROUBLES... LOOK! ITS POOPS ARE GETTING BIGGER!!
Calm down. Ra must have his reasons for doing this.
I agree with Ramiel.
That thing ate all the flowers I planted.
...This goat was just hungry. That's all.

What is even there to be sad about, crying nonstop all day?
Putting clothes on a mammal and making it live with us in our celestial palace doesn't make any sense
I'd rather ask Ra if we could put him in a cage and take care of him
Hm ...
This goat has the only threat to this world sealed inside. It's a sacrificial lamb to save everything
How about this ...
Why don't we teach it to speak?

We have our intelligent, virtuous and kind friend Raviel here

What nonsense are you talking about? Telling me to teach a mammal how to speak,

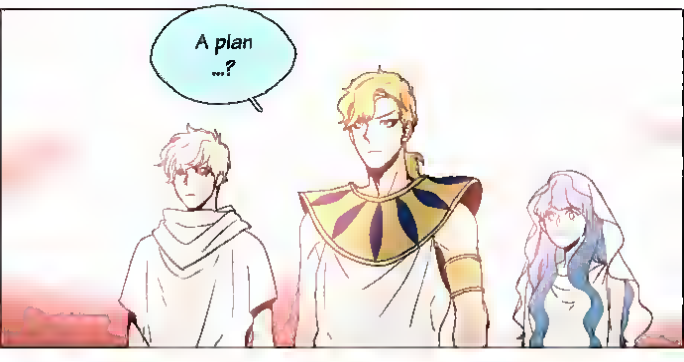
Brother.
I think the goat read my mind.
What are you saying.
The only one who can read our minds is the god himself.
How could a mere goat have such power ?
Do you really think he's a mere goat. Did you forget the god of death sealed inside it.
If the god of death did that, we might be in trouble.

Let us meet the god.

RA HAD ALREADY ASSEMBLED THE THREE MOST TRUSTWORTHY MEMBERS BEFORE WE COULD EVEN LOOK FOR HIM.

If we leave the goat as it is now, she will soon awaken and destroy the world.
So, I came up with a plan.
We'll teach it the boundaries and the rules it must follow, so it can use its power for the good.



A plan ...?

I will take it.

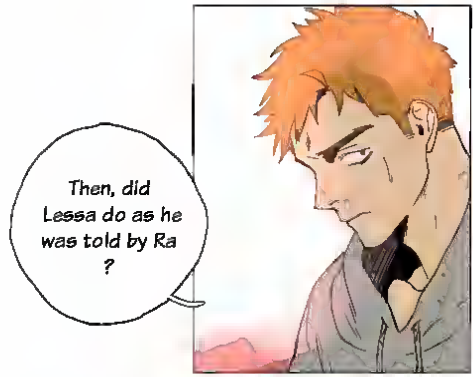
It shall sit in the throne behind mine.

It's name is Lessa, it shall take cara of the dead and protect the dead when I'm not there.

LESSA BECAME A GOD
AND SOON, HE LEFT US

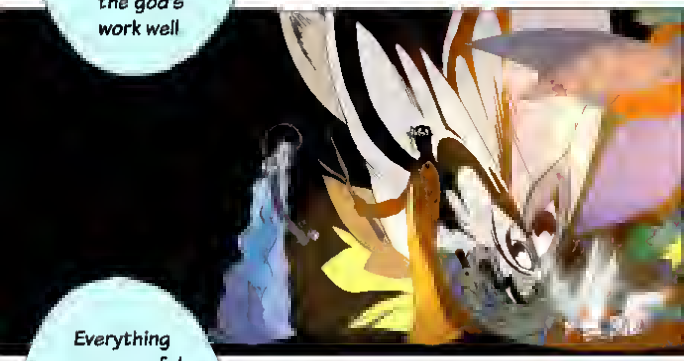
This is a summary of the god and tha past.
However, the memories that dwell in this wall, are limited because Ra had linked our minds with the portion of his memories.
So, we have no access to other memories Ra did not give us permission for.

The small goat Lessa grew and grew ...
until it could sit on the throne ...
No one knows what happened during that period of time



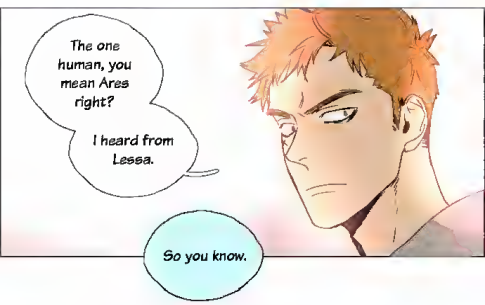
Yes. He gladly followed and learned from Ra.

and surprisingly helped with the god's work well



Everything was peaceful and went smoothly.

Until he decided to save a human and went down to the human world ...
...Ares. The current leader of the demans ...



The one human, you mean Ares right?
I heard from Lessa.
So you know.

Follow me.
I'll take you to the time of the biggest negative impact the world had.

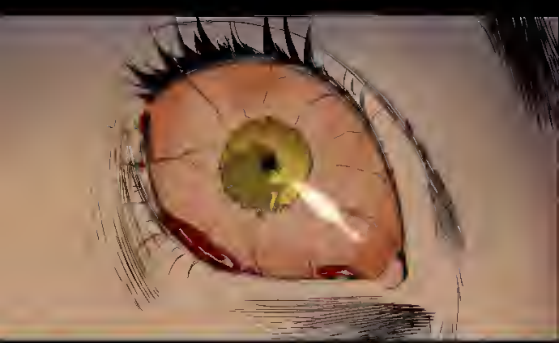
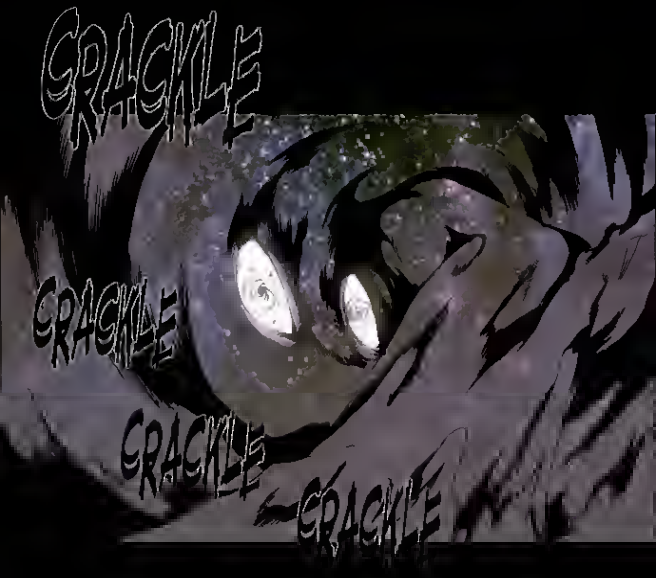
ARES PROBABLY CAN NEVER FORGET THAT DAY

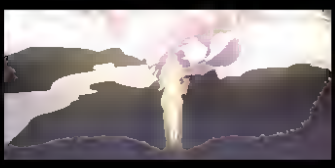
TO ENCOUNTER THE THING THAT HAS SURPASSED HUMAN IMAGINATION



THE INEXPUNGABLE BEING.



AND WE WERE THE..



"INEXPLICABLE BEINGS" AS WELL.

THE SKY GOD AND HIS SERVANTS
GATHERED FOR THE SECOND TIME IN HISTORY TO ONCE
AGAIN SEAL OFF THE DESTROYER OF THIS WORLD

The dark lord,

Please return to the vessel and forever be sealed.

GIRL

THE TYRANT WAS ONCE
AGAIN SEALED INSIDE LESSA.

Are you truly one of the beings that I have created?
You... You... You..are

I am the sun that rises.
And the sun that sets.

Also, the light that shines through the night....
The father of all beings.

HE TOOK AWAY LIGHT FROM ARES,
AND WE WENT BACK TO OUR PALACE

HOWEVER

WE LEFT ONE IMPORTANT THING
BEHIND

THE TYRANT'S SHATTERED PIECES
THE PIECES THAT DIDN'T GET SEALED
FOR SOME REASON

THAT THING ALREADY HAD A WILL OF ITS OWN
TWITCH

We think that piece is in possession of Ares.
It probably followed Ares to find the rest of its body.

If we cannot stop that thing from entering Lessa by making him swallow it, then this world will come to an end.
That's why we kept it a secret from Lessa. To prevent him from communicating with the being sealed inside him ...

Damn it ...
Lessa already lost majority of his power to that monster.

We know ...
But, luckily he can't do anything with just that debris. That's why he's searching for the right vessel so desperately.
Too many lives were lost because of his greed to recover the tyrant.

LOOKS LIKE A DEMAN TO ME...?
SHE S ALL CUT UP

IT DOESN'T LOOK LIKE SHE DIED TODAY...

SHE ISN'T BLEEDING AND HER BODY HAS ALREADY GROWN STIFF

SO THIS IS WHERE THE METHANAL SCENT CAME FROM
IT'S JUST AN OLD CORPSE

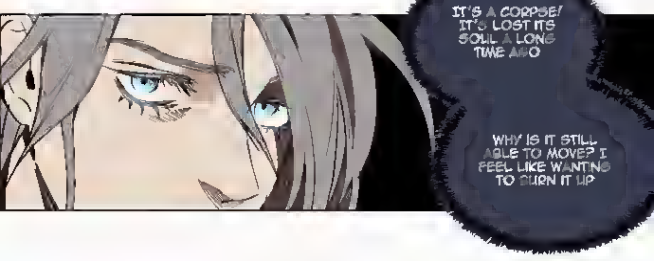
Shit! It was alive after all!!
Waahh!!

Kya!



IT'S A CORPSE! IT'S LOST ITS SOUL A LONG TIME AGO
WHY IS IT STILL ABLE TO MOVE? I FEEL LIKE WANTING TO BURN IT UP

RAYNOLD! TAKE THE DOCTOR AND THE OTHERS AND GO AHEAD TO ZONE 3!!
WHAAT?!
UHHH...

NO WAY! CALM DOWN AND STOP WHINING. LET'S JUST HURRY UP AND GET THIS DONE

WE NEED TO KNOW WHAT'S GOING ON IN THIS PLACE

IT'S TOO DARK WE NEED SOME LIGHT, LEXTER
NOT SUNLIGHT BUT JUST LIGHT SINCE WE DON'T KNOW WHETHER LUCY'S NEAR...

YOU'RE RIGHT. I DON'T HAVE TOO MANY LEFT BUT
